

# INVESaT 1<sup>st</sup> Networking Event

## “Satellite Applications and Investors?”

*In collaboration with EVCA*

### INVITATION

Dear Sir/Madam,

It is our pleasure to invite you to the 1<sup>st</sup> Networking Event organised in the framework of the project

**INVESaT** - Bridging the gap between **IN**novative enterprises and financial **InVE**stors in the emerging ICT markets of **SaT**ellite applications

**May 23rd 2006**

**10:30 – 16:30**

**Diamant Conference Centre**

**BRUSSELS**

The event will bring together innovative SMEs in the area of satellite-based ICT applications, investors interested in such market opportunities enabled by space programmes, major players and experts of the space sector.

Providing an overview of emerging commercial potential of satellite applications in communication, navigation and earth observation, as well as startup cases and discussions, this event will constitute the official launch of the INVESaT Network.

The joint participation of all potential stakeholders, as public organisations, space industry, innovative SMEs, entrepreneurs, business and innovation centres and investors, will provide new insights to business creation and finance in the field.

Therefore, your participation would be highly appreciated!

Please find attached the preliminary programme of the event, as well as the registration form. In order to sign up to the INVESaT 1<sup>st</sup> Networking Event, please return the registration form to EBN no later than **May the 5th 2006**.

In case of any queries, please, feel free to contact us. We are looking forward to welcoming you in Brussels.

Regards,

Philippe Vanrie
