Live-Webcast: German Aerospace Day 2009

20 September 2009

On 20 September 2009, the German Aerospace Center (Deutsches Zentrum für Luft- und Raumfahrt; DLR) will hold the 'German Aerospace Day 2009'. On that day, DLR and its partners at Cologne-Porz will showcase their research in the areas of aerospace and spaceflight, energy and transport. DLR will broadcast the main stage programme live on the web from 10:30 to 20:00 CEST, featuring talks with European astronauts and Airbus A380 test pilots, an in-flight call to the International Space Station ISS, live music and much more. Please note the main stage programme will be mainly in German.
