

Juliane Huth

EDUCATION

- **Diploma Degree (Graduate Engineer) in Geodesy** at the University of Karlsruhe (TH)– with focus on Remote Sensing/Photogrammetry (2004)

EMPLOYMENT RECORD

- **01/2020–present** Team Leader “Coasts and River Basins” at the German Remote Sensing Data Center (DFD), Department Land Surface Dynamics, German Aerospace Center (DLR), Oberpfaffenhofen, Germany
- **10/2010–present** Research Associate at the German Remote Sensing Data Center (DFD), German Aerospace Center (DLR), Oberpfaffenhofen, Germany
- **05/2007–09/2010** Research Associate at the Remote Sensing Unit, University Wuerzburg c/o German Remote Sensing Data Center (DFD), German Aerospace Center (DLR), Oberpfaffenhofen, Germany
- **11/2006–04/2007** Associate in IMAGE 2006 Project, Remote Sensing Technology Institute (IMF), German Aerospace Center (DLR), Oberpfaffenhofen, Germany
- **11/2004–03/2006** Research Associate, Institute for Landmanagement and Geoinformation, University of the Armed Forces, Munich/Neubiberg, Germany
- **05/2004–11/2004** Diploma thesis, Remote Sensing Technology Institute (IMF), Marine Remote Sensing, German Aerospace Center (DLR), Oberpfaffenhofen, Germany

RESEARCH TOPICS

- Remote Sensing Applications in Environmental Monitoring
- Wetland Monitoring
- Land Cover/Use Change
- Surface Water Derivation from SAR data
