

Information for all clients of the DLR Aeromedical Center in Cologne

State: January 29th, 2021

Dear clients,

we would like to inform you about the measures we have implemented in our aeromedical center during the COVID-19 pandemic in order to safely continue to serve you.

The following rules apply to our employees and clients

- Employees and clients have to stay at home if they feel themselves ill
- Employees and clients have to stay at home after:
 - any contact with a person tested positive to SARS-Cov-2
 - any contact with a person with typical symptoms such as fever over 38°C, cough and/or difficulty to breath
 - returning from a RKI risk area ([actual list](#))
- Employees and clients have to follow the standard hygiene rules:
 - Keep your distance
 - Hygiene (hand hygiene, cough etiquette)
 - Wear a FFP2 (N95, KN95) face mask covering your mouth and your nose
- Employees and clients have to use the hand disinfection dispensers
- Employees and clients are not allowed to share their working material (such as pens)

In order to follow the interpersonal distancing rules, we have to reduce the number of clients present at the same time in our facility.

We kindly ask you to be on time for your appointment.

→ Please fill in the following form current to your appointment!
