

SPACE INDUSTRY DAY GERMANY-LUXEMBOURG

December 1, 2010 | Luxembourg-Kirchberg

9:30 - 18:00 | Chamber of Commerce

Online registration: www.luxinnovation.lu/site/event_spaceday

The **Space Industry Day** provides an excellent opportunity for companies active in the Space sector to meet and to showcase their technologies and products to new potential business partners. In order to facilitate networking and the establishment of business contacts several company presentations, bilateral company meetings as well as a guided visit to SES followed by a networking cocktail will be organised.
